MBMC extends its sincere appreciation to Avior Life Sciences Private Limited for their exemplary contribution to the Pilot Project for Lake Remediation at Nagar Bhavan Lake.

Notable Contributions:

- Innovative Solution: Deployment of cutting-edge Avior Aqua Nano Bubble Technology, showcasing measurable improvements in water quality and biodiversity.
- Sustainable Impact: Demonstrated commitment to chemical-free, eco-friendly remediation aligning with MBMC's environmental goals.
- Collaborative Excellence: Proactive engagement, transparency, and adherence to project objectives despite challenges like water extraction and external pollution.

MBMC recognizes Avior's efforts as a benchmark for future lake restoration initiatives and encourages scaling this technology to other water bodies under municipal jurisdiction.

We look forward to continued collaboration in advancing sustainable water management practices.
